

Senate Bill No. 1096

CHAPTER 728

An act to amend Section 19605.51 of the Business and Professions Code, relating to horseracing, and making an appropriation therefor.

[Approved by Governor October 7, 2005. Filed with
Secretary of State October 7, 2005.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1096, Dutton. Satellite wagering: fairs.

Existing law permits fairs in specified counties to operate satellite wagering facilities, under certain circumstances, within their boundaries.

This bill would add San Bernardino to those counties that may operate satellite wagering facilities.

Under existing law, revenues distributed to the state from horseracing are deposited in the Fair and Exposition Fund and are continuously appropriated to the Department of Food and Agriculture for various regulatory and general governmental purposes.

This bill would authorize additional satellite wagering, and would thereby increase the amount of money deposited into a continuously appropriated fund, thereby making an appropriation.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION. 1. Section 19605.51 of the Business and Professions Code is amended to read:

19605.51. Notwithstanding subdivision (a) of Section 19605, and Section 19605.1, any fair in San Joaquin, San Bernardino, Humboldt, or Fresno County may, with the approval of the Department of Food and Agriculture and the authorization of the board, subject to the conditions specified in Section 19605.3, operate a satellite wagering facility on leased premises within the boundaries of that fair, but may only operate one such facility.
